

On Sunday morning, July 10, 2011, we lost a beautiful and wonderful woman ~ a very special lady who was our best friend.

She left this life exactly the same way she lived it ~ peacefully, with dignity and respect.

Whether you attended her memorial service, sent flowers or a card, perhaps made a phone call or included us in your thoughts and prayers, we thank each and every one of you.

Special thanks to Mrs. Pamela Wells and Mr. Marty Mitchell along with their caring staffs at

Glenwood Place and Mitchell Funeral Home, respectively.

You helped us out immensely with our recent difficult yet cherished times.

and asked for nothing -  
her love and devotion  
was unconditional."*
