Welcome to an Iowa winter! Well what do they say...March goes in like a Lion goes out like a Lamb? Hope so. I want to give a shout out to our maintenance crew who have kept our sidewalks, driveways all clear and safe for residents and staff, and a shout out to the residents and staff for being careful coming and going from the community too!

We have been very busy updating apartments as new residents join our community. Please introduce yourselves to them and welcome them. You'll see many new staff as well so please let me know if you have any questions or concerns.

Sherri's Post

Being a Texas girl, I'm anxiously awaiting the warm weather and for any sign of Spring. March madness is a start, as is St. Patrick's Day and Ash Wednesday. They are all pre cursors to warmer days. This month is sure to keep you busy. Before we know it, the grass will be green, and flowers will be in bloom.

Stacey and I will continue to offer vitals clinic the third week of the month, thank you all for coming to the clinic. It helps us keep a good baseline on you, when you are feeling well.

Remember while we are still in this cold weather to protect your skin by applying lotion frequently, walk like a penguin when outside to help prevent falls, and stay bundled up. I don't want to jinx our community; however, we have been lucky this flu season. I am privileged and honored to care for you and your loved ones here at Glenwood Place, I feel like I have 80 extra grandparents.

Your Nurse, *Sherri*

Brooke's Post

Mother Nature has been relentless this Winter. With record-breaking low temps, snow day after snow day, and strong winds causing blizzard conditions, it is safe to say we are all ready for Spring. As I write this post, the winds are howling outside with 30-55 MPH gusts and snow. The DOT is keeping the plows off the highways until the wind calms and drifts can be kept at bay. Major highways are closed, making travel nearly impossible for majority of the state. As we look forward into the 7 day forecast... which is the first week of March, we are still expected to see highs in the single digits and more snow. If anyone is wondering if now is a good time to move into Glenwood Place, the answer is yes. This is the BEST time to move! We have three restaurant-style meals per day, cozy family rooms with fireplaces, a library, and daily activities to fulfill the physical, emotional and spiritual needs of all residents. Reminder to residents: if you refer a friend and they move in, you receive \$1000 payable 30 days after their move-in date! Glenwood Place has apartments available in Assisted Living and Memory Care. A beautiful, two bedroom apartment with sliding glass door accessing the courtyard is available now! This one won't last long! Questions about Glenwood Place? Call Brooke at 641.752.8410 today!

Welcome New Resident....

Lenora Brown

Lenora Sunday was born in Redwood Falls, Minnesota on March 24, 1930. Lenora and her family moved to Marshalltown when she was 11 years old. Her parents, Margaret and Clarence "Bill" Sunday, were born and raised in Marshalltown, Iowa and were High School sweethearts. Lenora had one sibling, a brother named Robert. A fond memory she has is traveling to Paris with her brother to celebrate his 80th birthday. She remembers loving fishing with her dad and enjoyed school and having good friends. Lenora graduated from Marshalltown High School and continued her college education at Iowa State Teachers College, now known as UNI, with a degree in early childhood education. Lenora met her husband, Stan Brown, at UNI where he played football. Lenora said, "We danced 3 dances, and that was it!" A big wedding followed, and a year of teaching before the babies started coming along. Stan and Lenora welcomed four children: Cindy (Larry), Jodi (Doug), Scott (Mary), and Amy (Curtis). Lenora began teaching again, and fulfilled a 23 year career teaching Head Start in Marshalltown. Her husband Stan was the Marshalltown Mayor, so traditional First Lady duties included appearing in many parades and attending city functions (which she loved doing). Stan served the city of Marshalltown from 1984-1992. Lenora remained active in the community with groups such as Iowa River Hospice, PEO, Starpha, 20th Century, Red Hatters, Community Theater, study groups and involvement 1st Congregational Church. She also loved to dance and play Bridge.

Lenora's four children blessed her with 9 grandchildren and 11 great grandchildren, and the 12th on the way. Being well-known around town as Grandma Purple or GMAPRPL, as her license plate adorns, having a fashion forward style, and bright personality, Lenora is also well known for her kind heart, positive outlook on life, and passion for helping others. Glenwood Place is lucky to welcome Lenora to our community!

Meet our Staff...

Jerry Wheeler

Jerry has been with Glenwood Place for nearly 16 years! He began his career with Glenwood Place as a full time maintenance man. Jerry was the only maintenance guy for 10 years, and as Glenwood Place grew with additions and townhomes, so did the need for more help. Currently, Jerry works part-time, and is an intricate part of our morning transportation. In the summer months you can see him outside mowing the lawn or making sure the outside community spaces are neat and clean.

Jerry was born and raised in Marshalltown. He spent two years in the Army, completing his basic at Fort Lenardwood, MO and spent some time in Fort Carson, CO. He has lived in California, New Mexico, and Colorado. In his free time he enjoys riding his 1959 Harley, driving his 1938 Chevy, playing golf and going to The Spot every Saturday morning for coffee.
