Happy Holidays! I can't believe as I'm writing this that it's 37 days to Christmas! We will be soon decking the halls and getting ready for our Holiday Open House --this will be our time to renew friendships and have some Holiday Cheer! Please watch your mailboxes for more information.

On Thursday, December 20<sup>th</sup>, Allison Law from Senior Housing Management will be here to address any concerns you may have regarding Glenwood Place Retirement Community. They will be meeting at 10:30 in the Theatre Room on the lower level of the 2015 addition. We encourage all to come by and say "hello".

Don't forget to make your appointment for SHIP. Anne Schulte will be in the building starting October 22<sup>nd</sup> and 29<sup>th</sup> but you must make an appointment. Please call us at 641-752-8410. Those of you who have Community Pharmacy do not need to call --Anne Schulte will call you!

So many great music, activities and events are planned for this Holiday Season so be sure and check out our calendar and join us at any time.

I feel so blest to be a part of this wonderful community and I am so thankful that you have chosen Glenwood Place as your new home. I have enjoyed taking care of all of and over the years. ## A friendly message from your nurse:

As we all know, Flu Season is upon us!

We have a great turnout for our flu shot clinic this year, about 90% of our residents are immunized. Anyone still needing a flu shot, please come visit me. I have a limited amount left. Living in a community like this does increase chances of getting sick as there are some many of us in relatively close quarters.

### Tips for a healthy holiday season:

- Wash hands frequently
- Use alcohol-based hand sanitizer
- Drink lots of fluids
- Stay active
- Wash your hands
- Get your Flu shot
- Cough into the crook of your elbow or tissue
- Did I mention, wash your hands?

Happy Holidays,

Sherri-Reinier-Buerckley R.N.

### Meet our Resident...

Lora Smaha

Growing up, Lora remembers having a wonderful childhood. Lora was the youngest of the family, and with her being the only girl with 3 older brothers, she says she was very spoiled. School was very easy for Lora, she excelled in the classroom and was Valedictorian of her graduating high school class. She went on to study at Central Iowa Business College.

In Lora's younger years, she enjoyed playing basketball, baseball, golf and cards. Lora met her husband and their first date was to a movie. They married. They enjoyed golfing at Elmwood Country Club, fishing in Minnesota and Canada. They spent the winters in Arizona. Together they had one son, Leslie Smaha, who was a lawyer. Leslie gave Lora two grandchildren, who have given her 4 great grandchildren! Lora is very musically talented. She dedicated a lot of her time to teaching Sunday School, and playing the piano at church and weddings. Lora enjoys spending time with her older brother, Beryl Keen, who also lives at Glenwood Place. You can often find her participating in BINGO, craft club and attending our live musical performances. We are so happy to have Lora as a part of our Glenwood Place family!
